MHC Mortgage, LLC NMLS #2421005. MHC Mortgage, LLC, a partnership with FBC Mortgage, LLC NMLS ID#152869 and My Home Communities. All products are subject to credit and property approval. Programs, rates, program terms and conditions are subject to change without notice. Incentive is restricted to certain communities and/or homesites. Not all products are available in all states for all amounts. Other restrictions and limitations apply. *Scenario is an estimate only and is based on a 640 FICO score on a 30 year (360 months) FHA fixed-rate mortgage at a sales price of \$360,000, 3.5% down, 96.5% LTV, loan amount of \$347,400, rate of 5.49%, and APR of 6.412%, which would result in a principal and interest payment of \$2,004. 5.49% rate is based on a builder paid forward commitment to buydown the market rate (1 point = 1% of the loan amount). Payment scenario does not include HOA fees (if applicable) and the actual payment obligation may be greater. The actual number of points paid will vary and will be determined based on the amount necessary to lower the market rate to 5.49% at the time of rate lock. The forward commitment is offered on government loans only and may not be available on all loan programs. Borrower is not required to finance through MHC Mortgage but must use MHC Mortgage to receive incentives. See a My Home Communities representative for details. This is not a commitment to lend. Only available in My Home Communities properties for contracts written and closed between 08/23/23 and 11/30/23.
